Dear Joe:

I appreciate your writing me about your visit with
Casper Weinberger.

I feel it important that the contact you have estab-
lished with him not be allowed to lapse. It probably would
be better to defer any further meeting until after the ciga-
rette bill has passed the Congress. We should keep our eyes
open for an opportune moment when you can see him again.
I will let you know if I have any suggestions in that con-
nection.

My best wishes for a happy New Year.

Cordially,

Abe
